The Cattle Market.

Speaking about cuttle, a commission firm a their weekly circular, say: "The pros-sects for the near future look anything but attering, as from what we can learn there re lots of cattle in the country yet theome, a good many cattle are contracted for the rest of the month; and we think that it first of the month; and we think that it will bring heavy receipts here next week and a bad trade. From the present outlook we cannot see where cathle in the near future are going to sell but very little better than what they are at present. There have been a good many grassy cattle here this week and they have sold at very low prices, as nobedy seems to want that class of cattle at the low prices that they are solling at."

ON TRAIN IN UTAIL July 13, 1889. To THE HERALD, Salt Lake City, Utah. The Nebrasita Press excursionists adopted the following resolution, viz:

Whereas, Citr press association on this ex-cursion has been right rightly extentioned by the climative of commerce at Sait Luife city, and by prominent efficies of that place who have spaced, mether time has more to sake our visit to their healthful and pressured etc. Therefore pleasant and profitable to us

press our thanks for many courtesies shown and for the entertaining concert given us at the Tabernacle.

Rescleyd. That a copy of these resolutions be

Chairman Nebraska Press Excursion.

It is also understood that they have forwarded a letter of thanks to the Outario people at Park city, expressing their regress at being unable to visit the camp, after preparations had been made to royally entertain them.

The Tribane of yesterday morning, gave itself a very black eye. In reference to its failure to give The Hearth excelt for arranging the concert at the tabernacle for the entertainment of the visiting, it said this paper asked them to publish the programme. Out of journalistic coursesy The Henritz saked the Tribane through THE HILLSLE casked the Tellmin through the telephone if it would like a copy of the programme for the concert. The reply was a snappish "No!" Ten minutes later, however, they sent around and asked for what they had refused to take. The programme was cheerfully farnished, but the fact that
